Who Is Your Coach?

*Chanel
Nash*

I ventured into entrepreneurship as a restaurant owner and experienced remarkable success. After overhauling the family business, my endeavors flourished, and I generated sales of over 600K in my first year of operation at the tender age of 24. This success indicated to me that I was onto something significant. In 2019, my husband and I relocated to NC following a divine intervention from God, and I established a consulting firm aimed at empowering entrepreneurs to improve their businesses. I'm now dedicated to coaching fellow entrepreneurs to revolutionize their business operations.

What Is Freedomaire Coaching?

With my experience of collaborating with over 170+ brands, I've observed some recurring patterns among my clients. These include limiting their mindset to six-figure goals, a lack of planning with a growth mindset, and a tendency to adopt an employee rather than a boss mentality.

These challenges can be addressed by developing a new mindset that's conducive to business growth. This is where the Freedomaire coaching program can assist.

Our program is designed to help you Deconstruct, Define, and Dominate. We aim to deconstruct any limiting beliefs and ideologies, redefine what success means from a new perspective, and leverage this new mindset to help dominate in your industry.

By participating in the Freedomaire coaching program, you'll learn how to set achievable goals that align with your vision, create a growth-oriented action plan, and develop a leadership mentality that will help you take charge of your business. Our approach is tailored to your specific needs, ensuring that you get the most out of our coaching sessions.

We believe that with the right mindset and tools, you can achieve success beyond your wildest dreams. Join us today and let's work together to help you reach your full potential!
